Letter No: 288 dated the 22nd April 1902,

from the Offg. Chief Secretary to the Government of Punjab, to the First Assistant to the Resident in Srepoore.

I am directed to address you with reference to paragraph 24 of the Resolution of the Government of India in the Foreign Department, No. 949-I. A, dated the 7th March 1902, regarding the Imperial Durbar to be held at Delhi on the 1st January 1903, and to say that the Lieutenant-Governor will be glad to be informed of the wishes of the Honorable the Resident in Srepoore in regard to Police arrangements of the Srepoore Camp at Delhi on that occasion. If it is decided to put the Police arrangements for the protection of the Srepoore Camp under the Control of the Punjab Government it will still be possible, and may be useful, to send a few detective and Constables from your own Police Force, provided that they are put under orders of the Punjab Inspector General of Police.

Assistant Resident's letter forwarded with
your No: 4445/mis 709 of The 22nd September '02

I would beg to point out That His
Highness' Camp is 4 miles from The House
taken for Her Highness and That a Police
Guard will be necessary from Her
Highness' Quarters both day and night.
I would further note That The Camp of The
Visitors and Officers of Mysore is nearly
1/2 a mile square and That so large an
area if watched day and night would
require more than a dozen men.

Extra precaution against Thieves will
be necessary owing to The number of Visitors
attending The Coronation Camp and The
Consequent attraction of Thieves to The
neighbourhood.

No. 1496/113

From.

The Inspector General of Police in Mysore.

The Secretary to the Govt. of Mysore,

Genl & Rev Departments.

Sir,

With reference to your No: 5750/879 dated 4-10-02 forwarding for opinion copy of letter No: 790 dated 30-9-1902 from the Secretary Assistant to the Govt. of Mysore, I have the honor to state that from a personal conference with Colonel Jones, I understand that H. H. the Maharaja's Camp is situated in the middle of that of the officers H. H. the Maharani's residence being in the city four miles away, a separate

detachment consisting of 1 Sergeant and 12 men will be necessary for the latter camp;

but as regards the larger one, including the 4th the Maharaja's camp, which is 1/2 a mile square, a large body of Policemen would be necessary for guard duty as all the four sides are to be watched; at least three men would be required for each side, and they will have to be relieved three times in 24 hours ie, 9 men for each side of the camp or 36 men for all the 4 sides. These men cannot be expected to work continuously without being given rest for a day after 24 hours sentry duty. Thus double the number viz 72 men will be necessary for the large camp, besides those who will have to watch

H. H. The Maharaja's tents, which being in the centre require at least 6 men - The total number of Constables for being sent to Delhi would therefore come to 90 with 6 Sergeants and an Inspector.

These men have to be provided with warm clothing and new suits of uniform to make them appear neat and smart; those issued last yr. about 2 years ago, being worn out. If the decision of the Govt. is intimated to me early, I intend electing the Policemen from the Bareilly and Rajpore Special Reserve Forces, and equip them as early as practicable.

Yours &c.,
